### EXPERIENCE

2007-2020	<b>Digit Expres MM DOOEL</b> <ul style="list-style-type: none"><li>I started as a professional photographer, photo and video editor.</li><li>I was promoted and had the task of creating my team whose task was to introduce innovations in the company. From the research, I came up with the idea to start a new business for equipping kindergartens and schools with dedicated furniture. So I started designing furniture for kindergartens. In a short time, we managed to achieve great success in that field. The company grew over the years. The variety of work I did in this company allowed me to indirectly gain UX skills and solve complex problems.</li></ul>
